

# Barford Primary School

Easter Newsletter

**Have a very happy  
Easter and enjoy some  
rest and relaxation.**

Thank you for all of your support and enthusiasm throughout the last term. We had very good attendances at the events that we hosted including the Learning Meetings, Red Squirrels Assembly and the Open Classroom sessions. Please look out for more opportunities in the summer term.

**Team Point Winners**

**Spring 2018**

**Hawk Owls**

**Congratulations!**

## **Photo competition**

Entries for school photography competition need to be handed into school by Friday 20th April please. The theme this time around was 'Patterns' and it may be the ideal time over the Easter break to take some wonderful pictures which can then be entered. Happy snapping!

**Year 6 SATs Ready Meeting**

**Thursday 19th April**

**@ 3.30pm**

Come along and find out all about the SATs tests and how they will be administered at school during the test week in May. There will also be top tips to support your child and hopefully we will be able to answer any question that you may have.

**School Field Update.**

With the new building complete, we are now waiting for the final phase of the building work to begin—reinstating the field. This is being held up by the water-logged ground behind the new building and it is hoped that progress can be made quickly at the start of next term. We will keep you posted with any further developments.

**Road Safety Talks for KS2**

**Friday 20th April**

First day back at school  
after the Easter break is:

**Monday  
16th April**

## **Sport Relief**

Thank you for all of your support with raising money for Sport Relief. The children enjoyed the 'score a basket challenge' and have come in to school today resplendent in their sports gear—we've had horse-riders, archers and ballerinas amongst others. Please continue to collect sponsor money over the Easter holidays and we will let you know a grand total when we have one! Thank you all again.
