School Sports Partnership

Thanks to the Federation, all pupils will have the opportunity to represent the school at a sports event this year. These are brilliantly organised by our Schools Sports Partnership that we have joined this year. A lot of the children will be trying a new sport for the first time in a non-competitive environment; others will be competing against other schools. We have our first one happening next Friday and 10 of our children are going along for an Active Kids Event. It's such an exciting opportunity and all children will have the chance to take part this academic year.

PE Day Wednesday 27th September

Please could all children come into school in their PE kits on Wednesday 27th September. Each class will be doing a taster session for a new PE Scheme later in the year.
